

### **Personal Statement**

I specialize in 2D animation and illustration, but strive towards mastery of several mediums and techniques. I work in several art styles but using a dynamic mix of traditional mediums and digital softwares is a personal favourite.

### **Previous Work Experience**

Student Learning assistant at Middlesex University (2012-2014)

Freelance graphic designer, street artist, designer (2009 - ongoing)

Head of tourist office and marketing in Traena Kommune (2014)

### **Skills**

Photoshop, Illustrator, inDesign and related design-software

After Effects, Flash, Final Cut and related animation/video editing software.

### **Future**

I am currently interested in finding a studio to work with after graduation in July 2015. In the meantime I will be working as a freelance artist doing client work, and continue to work on personal projects to build up the public interest around my work.
